

TALENT AND MODEL RELEASE AND ASSIGNMENT FORM

You have been chosen to be a model for a hair show or educational demonstration. In consideration of the opportunity to gain experience as a model and for other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, _____, hereby grant to John Paul Mitchell Systems® (JPMS), a California corporation, and those acting pursuant to its authority, the absolute right and permission for the following:

1. To perform hair care services including, but not limited to, shampooing, conditioning, styling, coloring, permanent waving, smoothing, chemical relaxer, cutting, and restyling my hair without limitation to the style, color, or design to be determined at the sole discretion of the designated representative performing the hair care services.
2. To place me in the hair show or demonstration as a model.
3. To record my participation and appearance on videotape, audiotape, film, photograph, or any other medium to be used by JPMS and other global worldwide websites, social media outlets, or other Internet advertising.
4. To use my name, likeness, voice, and biographical material in connection with those recordings.
5. To exhibit or distribute such recordings in whole or in part without restrictions or limitations for any educational or promotional purpose which John Paul Mitchell Systems, and those acting pursuant to its authority, deem appropriate.
6. I further grant to John Paul Mitchell Systems the right to copyright such pictures and images in its own name or to publish, market, and assign without further consideration, compensation, or notification to me.
7. I hereby waive any and all rights or interest that I might have in the photographs and/or images, including any rights to inspect and/or approve the finished photographs and images. I further waive any and all rights or interest regarding the lawful use of these photographs and/or images which may be applied.
8. I agree to participate in the hair show/demonstration with the full understanding that my participation includes the following conditions:
 - a. Prior to the day of the event, I may be required to have my hair prepared for the presentation. Preparation may include a haircut and/or a chemical treatment as necessary. Chemical treatment may include color, relaxing, or perming using Paul Mitchell® Professional products. On the day of the event, the hair will be refreshed and styled using Paul Mitchell Professional products and tools.
 - b. Models not prepared prior to the event will primarily be processed on stage, including hair cutting, coloring, and styling using Paul Mitchell Professional products and tools. Artists will consult with the models before the presentation; however, slight changes or modifications may be made on stage. I hereby acknowledge and accept changes made without my prior authorization.
9. The products applied to my hair will have various degrees of permanence. The ability to remove a color product applied to my hair depends on the condition of the hair and how the product is applied. John Paul Mitchell Systems and/or the stylist cannot guarantee that a particular product will be removed or washed out. Nor can they guarantee that a product will be permanent.
10. I agree to be present for the entire duration of time I am needed for my participation in the hair show or demonstration. I understand that it is difficult to determine, in advance, the total amount of time involved in my participation as a model. I agree to be available at all times during the presentation day and demonstration day as needed.
11. I understand that I may be asked to wear a pre-selected outfit or outfits during the presentation. If any outfit or item of clothing offends me in any manner, I am not required to wear the item selected. I agree to immediately advise the show coordinator that I do not choose to wear a particular item. I understand that I am not obligated to wear any item in which I do not feel comfortable or confident. All wardrobe provided remains property of John Paul Mitchell Systems, and must be returned at the end of my participation in the event.
12. Ingredient safety is at the heart of every Paul Mitchell® creation, but just like certain foods and materials, allergic reactions to hair color products can happen. Patch tests are required for your safety prior to application of professional hair color products and remain valid for a period of three months.
